[TORRANCE] Senior citizens, a child, and many adults took to the streets of the South Bay City of Torrance this week to show solidarity with the world-wide peaceful movement known as Occupy Wall Street.

Over two dozen Occupy Torrance protestors setup in front of a local branch of Wells Fargo Bank at the corner of Hawthorne Boulevard and Crenshaw on Wednesday. The occupiers were across the street from the mainstream media conglomerate Daily Breeze newspaper.

The vibrancy of Occupy Torrance and photos of their occupation is news.
