MARCH AGAINST MONSANTO

Special Edition

[LOS ANGELES CALIFORNIA] 5.25.2013. More than 1000 people

marched downtown Los Angeles California today protesting Monsanto, a multi-national agricultural biotechnology firm that genetically modifies foods (GMO).

"March Against Monsanto" as the protest was named, began at Pershing Square and wound its way to Los Angeles City Hall.

One protestor carried a sign that said: "I always wondered why somebody didn't do something about this. Then I realized I am somebody."
